

## FROM THE PRINCIPAL

Dear Parents and Community Members,

Silverton Middle School is in the second year of having a 6th through 8th grade school configuration. As a school we are committed to excellence in academics and character, and we are committed to continuous improvement. Students are able to access Title 1 support classes for reading and writing, as well as grade specific Math support classes that use standardized testing to evaluate student levels so our instructors can work on academic growth. Our Science classes are now in the third year of the Next Generation standards and have implemented both technology and science inquiry within their units. In both Math and Reading we utilize STAR data in a relevant and meaningful way to meet the needs of all of our

students. Silverton Middle School also provides several academic enrichment courses including Honors level classes in both English/Language Arts and Math, Performing and Creative Arts classes, Technology classes, and an after school Robotics program. Our school wide focus of character development, critical thinking, and problem solving will help our students become better prepared for their continuing education. As a school we are committed to preparing our middle school students for success in the high school setting, and in life.

Thank you,

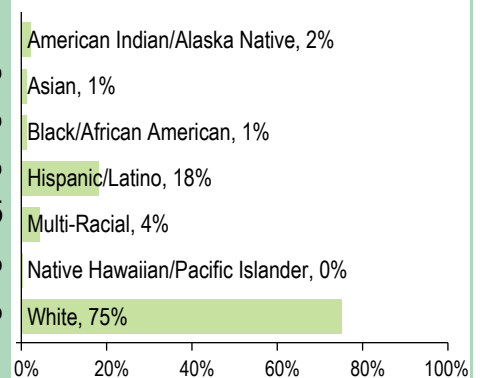

Principal | Brett Davisson

## STUDENTS

## IMMUNIZATION RATES

Percent of students with all required vaccines: 92  
Percent of students without all required vaccines: 8

*(The percent without required vaccines includes students with medical exemptions, nonmedical exemptions, no immunization records, or up-to-date but incomplete immunization records. Visit <http://www.healthoregon.org/immdata> for more information.)*

When data are unavailable or to protect student confidentiality:

\* refers to groups of less than 6 students.

<5 indicates that a percentage is less than 5%.

>95 indicates that a percentage is greater than 95%.

\*\*\* refers to a school that offers lunch at no charge to all students.

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

### SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments?  Yes  No, Interpret Results with Caution  
*Participation rate criteria are in place to ensure schools test all eligible students.*

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

2014-15 was the first operational year of the new English language arts and mathematics assessments.
